Hello, everybody! I'm going to primary school in April. I'm looking forward to it.

KIDS Campus was great fun, especially, Halloween, sports day practice and my studies.

At the Halloween party, I wanted to surprise everybody so I dressed up as a girl. I wore my cousin Riina's costume, OJYAMAJO DOREMI.

It was very funny because I forgot I was wearing a skirt and everybody could see my underwear!! Everybody laughed and were surprised. Halloween was great fun!

Thanks for being good friends. Don't fight with each other, behave yourselves, and enjoy the new school year. I also want to thank the teachers for taking care of me.

Thank you so much with lots of love Shunsuke Tsukidate

Fun things I did in kindergarten:

Doing the ABC dance on Sports day, eating cake at birthday parties and playing with the snow in the park.

I enjoyed playing in the pool and summer school. I loved the picnics too.

I spent lots of time playing with my friends at KIDS campus.

I didn't understand English when I started and I was scared of foreign teachers, but not anymore.

Thank you Minako sensei, Shinya sensei, Shinobu sensei and Aya sensei who took care of me a lot since I was a little baby.

I will miss all my buddies. Everybody, please take care of Renta.

Thank you.

Nana Sugawara

Fun things I remember about kindergarten. It was lots of fun to go apple picking.

It was great fun on sports day. I liked the ABC dance, 30 meter race and tug of war. Also I was happy because my family encouraged me.

I went to Australia twice, I made lots of friends. It was great to touch koalas and kangaroos. I felt proud to order food in English.

I used English many times when shopping in Australia.

Next time, I'll go shopping there with my brother Shion

At KIDS Campus, I had fun everyday. I'm going to elementary school and I'm excited. I will miss you all!

Thank you
